In the event of failure to achieve the above target, a Penalty of Rs. 50,000/- per day for 1<sup>st</sup> three days of failure and Rs. 100,000/- of further period of failure shall be imposed subject to a maximum of 1% of the bid amount; thereafter the contract shall stand cancelled.

#### **1.17 Rate analysis**

The contractor shall provide, along with his tender / bid, analysis for his quoted rates for the items of work mentioned in BOQ including hiring charges of machinery, overhead cost of POL and other incidental charges, if any. Failure to provide the rate analysis shall render the tender / bid non responsive & shall be summarily rejected.

#### **1.18 Rates to be inclusive of all taxes**

The tender rate shall be inclusive of all applicable taxes and incidental charges (e.g. weigh bridge charges, LFS charges etc.) in connection with the work.

#### **2.1 Contactor's failure to start the work.**

If the contractor fails to commence the work within 07 days after the work order issued to him, the Earnest Money (Bid Security) shall be forfeited and the work order shall be treated as cancelled.

#### **2.2 Arrangement of water**

The contractor should make his own arrangement of water, if required for the work execution as well as drinking and nothing will be paid / deducted for the same by Procuring Agency in the matter.

#### **2.3 No alteration / addition in BOQ**

No alteration or addition shall be made by the contractor in schedule of quantities. The rate must be filled in ink or typed out and mentioned in figure as well as words clearly and legibly in columns provided in schedule of quantities. Any correction must be initialed by the bidder. Any tender which does not comply with the terms and conditions shall be liable to be summarily rejected and shall not be considered.

## 2.4 Taxation

The rate and price in the tender by the contractor shall include all business tax, income tax, SRB tax and all other taxes that may be levied by the government according to the laws and regulation in being as of the date 28 days prior to the closing date of submission of tenders or levied from time to time during the contract. However, nothing in this document shall relieve the contractor from his responsibilities to pay any tax that may be levied by the government on the receivable amount / profit made to him in respect of the work during currency of the contract.

## 2.5 Tender validity

Tender shall remain valid for 90 days after the opening date of tender.

## 2.6 Security:

### i. Bid Security (Earnest Money)

- The tender must be accompanied with **Bid Security (Earnest Money) equivalent to 1% of the total Quoted Bid calculated on the basis of approximate quantity of 300,000 Tons per district in the following form:**  
*Bank draft / pay order or Bank Guarantee drawn of an approved scheduled bank in favour of SSWMB.*
- The Bid Security (Earnest Money) shall be returned to all bidders as soon as the contract is awarded to the Lowest Evaluated Bidder.

### ii. Performance Security (Security Deposit)

- The total amount of **Performance Security (Security Deposit)** shall be 10% of the contract price approved by the Procuring Agency.
- The successful bidder shall deposit 2% Performance Security (Security Deposit) at the time of award of contract / agreement. The remaining 08% Performance Security (Security Deposit) shall be deducted from each running bill of the contractor.

## 2.7 Tender to be non responsive without prescribed Bid Security (Earnest Money)

Any tender which is not accompanied with required **Bid Security (Earnest Money)**, in the shape described above, shall be rejected by the Procuring Agency as non responsive.

## 2.8 Sufficiency of tender

Each contractor / bidder shall be deemed to have satisfied himself before tendering to the correctness and sufficiency of his tender as far as to cover his entire obligation.

## 2.9 Refund of Security deposit

The Performance Security (Security Deposit) of the successful bidder deposited at the time of award of the contract and also deducted during the contract period, shall be refunded after three month from the date of expiry of contract.

## 3.0 Conditional offers

All contractors / bidders are hereby cautioned that tenders with conditional offer or deviation from the conditions of contract or other requirements stipulated in their tender documents, shall be similarly rejected as non responsive and shall not be considered.

### **3.1 Damage to person and property**

The contractors / bidders shall indemnify the Procuring Agency against all losses and claims in respect of;

- a) Death or injury to any persons due to accidents
- b) Loss or damage to any vehicle or property which might occur due to accident or in consequences of the execution of work and against all claims, proceeding, damages, costs, charges and expenses whatsoever in respect thereof or in relation thereto.

### **3.2 Canvassing in respect of tenders**

Canvassing in connection with tenders is strictly prohibited and the tenders / bids submitted by contractor / bidder who resorts to canvassing will be liable to rejection.

### **3.3 Rate / Tenders amount to be quoted in figures as well as in words**

The Rates quoted by the contractor / bidder shall be written in figure as well as in words in English language clearly.

### **3.4 Each paper of tender documents should be signed by the contractors**

- |    |   |                           |
|----|---|---------------------------|
| 1. | Loaders / Shovel: -----                       | 03-05                     |
| 2. | Dump Trucks (10-12 wheelers) with high walls: | 16-20                     |
| 3. | Excavator: -----                              | 01 (as and when required) |

The minimum requirement is given just to provide a guideline to the contractor / bidder, so that they can understand the work assignment under this contract

### **3.6 Variations in quantities**

- The quantities of various item of work given in BOQ are tentative and may vary.
- If need arises, the Procuring Agency may ask the contractor / bidder to carry out the assigned work in adjacent district, but this shall be with mutual agreement between both parties. However, the payment shall be made as per the lowest rate of the work awarded for that district.
- SSWMB shall not entertain any claim, at any stage, by the contractor for non-availability of fore-casted volume of garbage for lifting and transportation from district to LFS.

### **3.7 Work during late hours or in emergencies**

Contractors are hereby cautioned that they may be called for the work during holidays, in late hours and in emergency on directives of SSWMB.

### **3.8 Period of contract**

Three Months from the issuance of work order, extendable for another month on the same rate without prejudice to the terms and conditions of the contract. However, if at any time, during the currency of contract, the continuation of the same becomes difficult or impossible due to factors beyond the control of SSWMB in that case the contract may be terminated, without any obligation, on 10 days prior notice from SSWMB to the contractor.

#### **4.0 Procuring Agency's right to accept any tender and to reject any of all tenders**

The Procuring Agency reserves the rights to accept or reject any tender / bid or to annual tendering process and reject all tenders at any time prior to award of contract without notice, thereby incurring no liability to the effected tenders or bidders. The Procuring Agency shall not be under any obligations to inform or justify the affected bidders of the ground for Procuring Agency's action.

**4.1** The Procuring Agency reserves the right to fix maximum weight of garbage that can be loaded in and transported through a 10-12 wheeler dump truck based on the respective density of garbage. This may be required to discourage lifting and transport of Debris only. In that event any weight above and over the capacity worked out by the density of garbage as noted above shall not be considered for payment and shall be at contractor's own risk and cost.

**4.2** The vehicle transporting solid waste from different points to landfill sites shall be completely covered by tarpaulin and not allowing any kind of spillage during the course of transporting.
